

## 30 Caribbean escapes, from Antigua to Zabuco Villa

### **20. Seaweed Villa, Jake's on Treasure Beach Jamaica**

Treasure Beach's dark-sand rocky beaches have saved this spot from ruin. Jake's is the beach's eco-chic bohemian hotel, the brainchild of the Henzell family. They've just opened a new villa, Seaweed, which has a 270-degree ocean view. The signature Jake's mosaic tiling, use of shells and coloured bottles is carried throughout. Each en suite roof has a balcony and an outdoor shower or deep tub; there's also a private gym, an infinity pool and hot tub and an outdoor bar and grill. It can be hived off into different sizes for different prices.

**Details** Seaweed Luxury Villa can be rented as a two-, four- or six-bedroom property on a daily or weekly basis; nightly rates from £367, £610, and £978 (001 877 526 2428, [jakeshotel.com](http://jakeshotel.com))
